

REMARKS

This Response is intended as a supplemental response to the Office Action dated July 18, 2006. In view of the previous response submitted October 17, 2006 and the following discussion, the Applicants submit that the application is presently in condition for allowance.

IN THE SPECIFICATION

The Applicants hereby amend the specification to correct minor typographical errors. Specifically, paragraphs [0030] and [0042] of the originally filed specification have been amended to correct the spelling of the word "hydrofluorocarbon." In addition, the label for the table following paragraph [0051] has been corrected to reflect the proper table number and content of the table. Finally, the Abstract has also been amended to correct the spelling of the word "fluorocarbon."

The Applicants respectfully request entry of these amendments.

CONCLUSION

Thus, the Applicants submit that the application is now in condition for allowance. Accordingly, both reconsideration of this application and its swift passage to issuance are earnestly solicited.

If the Examiner believes that there are any unresolved issues, it is requested that the Examiner telephone Mr. Alan Taboada at (732) 935-7100 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,
